THE FIFTY-SECOND ANNUAL REPORT OF THE NUNEATON AND DISTRICT GENERAL HOSPITAL

The Board of Management has much pleasure in presenting the Fifty-Second Annual Report and Statement of Accounts. The period under review is from the 1st January to the 31st December, 1942.

SERVICE TO PATIENTS

During the year 1942 the figures for the number of patients admitted show a slight drop over the previous year : 1,738 patients were treated in the Wards in this period against 1,781 in 1941. The sphere of usefulness of the Hospital Services has in no way diminished because the average length of stay was higher at 17·27 days against 16·45 in the previous year. The average daily number of residents at 82·14 is comparable with 1941 when the figure was 83·7. The average number of beds available during the year was again reduced by enemy action, the average being 100·26 with the 45 emergency beds in addition. It is pleasing to feel that in these difficult days the In-patient Service of the Hospital has been well maintained.

The number of Out-patients treated was 4,901, a higher figure than in 1941 when 4,596 Out-patients were dealt with. The number of attendances, however, has dropped from 17,580 in the previous year to 16,145 in 1942. Considering the present deficiencies of the Out-patient Department, the Board feels that the standard of service is extremely high and once again the figures demonstrate the need for fresh Out-patient facilities. Included in the figure are 1,210 casualties.

MATERNITY DEPARTMENT

The use of the Maternity Department has been well up to standard : during the year 256 patients, each of whom stayed on an average 12 days, used the Department. This figure is a record. The cost of the Department stands at 14s. 3½d. per In-patient day, a necessarily higher figure than for ordinary In-patients, but notwithstanding very comparable with Maternity Departments in other Hospitals. We have still a Nursing problem in the Department and the sum of £408 has had to be expended in paying for private Nurses and Midwives. The problem is not likely to get any easier.

FINANCE

The total income of the Hospital from all sources amounted to £16,065 18s. 9d., a record figure and an increase over 1941 when the figure was £15,084 5s. 6d. The expenditure was £20,235 9s. 1d., leaving a deficit on the year's working of £4,069 11s. 2d. This figure however, should be substantially reduced as a number of outstanding assets should be taken into account. We have had only partial payment of our War Damage expenditure ; payments are due from the Emergency Medical Services for treatment given and a proportion of the rise in Nurses' salaries ; and the fact that the Mayor's Appeal has caused a diversion of some of the regular income of the Hospital, should all be taken into account. The Special Funds of the Hospital show credit balances as follows :

Building Account	.. / ..	£580
Endowment Account	£5,099
Special Appeal Account	£384
Out-patients' Department—Special Appeal Account	£815

Providing we are able to increase our present income to the tune of approximately £2,000 per annum, the Committee is confident that we shall be able to meet our commitments and maintain the Services at a very high level.

NATIONAL EMERGENCY

When the last Annual Report was published containing a reference to the Nuneaton 1941 Air Raid, the Board little thought that the experience would be repeated in 1942. As a result of the Raid on the 25th June a great deal of damage was done to the Hospital which necessitated the temporary closing of the Wards whilst repairs were put in hand. The cost of the repairs amounted to £1,421, all of which has yet to be reimbursed by the War Damage Commission. At the time of writing this Report, the Hospital has been completely restored and the Doctors' Home opened after extensive repair from the 1941 Raid. Once again we are grateful for the loyalty, resourcefulness, and fine spirit displayed by the Staff under very trying conditions.

AIR RAID PRECAUTIONS

Constant attention is given to the protection of the Hospital from enemy action, and since the last Report, Fire and Emergency equipment have been reorganised and augmented and the Gas Station arrangements are at present undergoing overhaul. We would once again record our grateful appreciation of the services of Stretcher Bearers, Messengers, Voluntary Telephonists, and all others who help us to be prepared for any eventuality. Their service is regarded with keen appreciation by the Board.

POST-WAR PLANNING

The reader will recall part of the objectives of the Mayor's Appeal :

- (1) The building of a new Out-patient Department.
- (2) The improvement of existing equipment and plant (including X-ray).
- (3) Necessary extensions to the Nurses' Home.

The Board has already commenced its deliberations on Post-War Planning, and recently a visit was paid to Leicester Royal Infirmary to see its Out-patient facilities with a view to incorporating the best ideas in our own Department. It is hoped that visits will be paid to other Hospitals. The question of the improvement of the Hospital Services after the war will have a regular place on the House Committee's Agenda.

MAYOR OF NUNEATON'S HOSPITAL JUBILEE APPEAL

This Report contains a complete list of donations to the Mayor of Nuneaton's Hospital Jubilee Appeal. The Appeal was launched at the beginning of 1941 under the auspices of His Worship the Mayor, Alderman Joseph Bates, J.P. How hard and unremittingly he has worked is a matter of common knowledge, and in the course of the Appeal the Mayor has addressed many hundreds of meetings and travelled many hundreds of miles in collecting the very handsome amount of over £21,000. The Board hopes eventually to decide upon some permanent form of recognition of his efforts and, in publishing the list, it is with a feeling of profound gratitude that we do so. The large amounts will be recognised by the endowment of beds or cots with appropriate wording on a tablet or plate, but the Board thanks every individual who has by a large amount or a small one contributed to the overwhelming success of this Appeal. The Appeal will go down in history as one of the high lights in the career of Nuneaton General Hospital.

NUNEATON HOSPITALS' CONTRIBUTORY ASSOCIATION

The Board wishes to gratefully acknowledge the substantial financial and other help received from the Nuneaton Hospitals Contributory Association. The contact between the Hospital and the Association has been of the very happiest, and we are glad to record that during the year an increase in the payment for patients was made at the rate of an extra 1/- per day. We have reason to hope that the present rate of 7/- per day may soon be raised to 10/-, a splendid tribute to the progressive work of the Association in making every endeavour to realise the ideal of paying the full cost of treatment.

HOSPITAL CARNIVAL COMMITTEE

Since the war commenced it has become increasingly difficult for the Carnival Committee to find ways and means of raising charitable income for the Hospital but their efforts have never flagged, and this year over £600 was raised and ear-marked (through the Mayor's Appeal, in part

at least) for the provision of a new Mobile X-ray Plant which is very badly needed. At the time of the publication of this Report we are awaiting the release of a set by a Government Department, and it is hoped that before long it will be installed in the Department. The Board records its very grateful appreciation to the Carnival Committee for the promise of this gift.

ALEXANDRA ROSE DAY

In spite of collecting problems engendered by the war, Nuneaton Hospitals' Contributory Association again organised Alexandra Rose Day with marked success. The amount raised, £423 17s. 6d., is a record, and we congratulate the organisers and thank them very warmly for this handsome gift.

LADIES' LINEN GUILD

We are very glad to make the activities of the Ladies' Linen Guild a feature of this Report, as the Board regards the work of the Guild as a most vital and integral part of the Hospital Services. In these days of rationing, shortage of supplies, and the many calls on the ladies' time, it is very gratifying to realise they still find the opportunity to remember our needs and to provide us with so many useful and valuable additions to our stock. We thank them very warmly and hope we may have the privilege of their continued efforts in the years to come.

GIFTS IN KIND

We are favoured almost daily with gifts of various kinds from our many friends, and hope that the donors will accept this acknowledgement as a very sincere expression of the feeling of the Board, although space does not allow us to publish extensive lists.

DISPENSING ARRANGEMENTS

During the year, Mr. J. Baikie, M.P.S., has undertaken to provide a part-time Dispenser to carry on the service Messrs. Boots' Chemists formerly provided—but are now unable to do so owing to withdrawal of man power. We are grateful to Mr. Baikie for stepping into the breach.

STAFFING PROBLEMS

The year has brought many problems in maintaining the essential services owing to the shortage of woman power. Where normally a Hospital of this size would require about 24 resident maids, we have at the present time three, and the rest of the work has to be managed by daily helpers (many of them part-time) and the Nursing Staff. It is a matter of very great regret to the Board that no immediate solution can be found for this problem, and it is hoped that the latest instructions of the Ministry of Labour will in future lighten the problem and provide the means of re-staffing the Hospital on a proper basis. The Board appreciates the many ways in which the Staff of the Hospital step into the breach in order that the services of the Institution may be well maintained.

PERSONAL

While Mr. R. H. Hucknall, F.R.C.S.E., is away on active service, Mrs. F. I. Henry, M.B., Ch.B., was appointed to carry on the Ophthalmic work. Unfortunately, owing to pressure of work, she resigned during the year, and Mrs. C. E. Clark, M.B., Ch.B., D.O.M.S., has been temporarily appointed to take charge of the Department. We are glad to welcome back Mr. F. Douglas Marsh, M.C., F.R.C.S., Consulting Surgeon for Ear, Nose and Throat Diseases, after his return from service with the Forces. During the year, Dr. J. C. Neill, M.B., Ch.B., has been temporarily appointed to the Medical Staff. It is much regretted that indisposition has prevented Mr. E. R. Yule, F.R.C.S.E., from operating at the Hospital and we wish him a speedy return to health. At the beginning of the year, Miss H. W. Cookson was appointed Assistant Secretary of Horton Hospital, Banbury, Oxon., and in May, Mr. Cyril Hopkinson, of Boston General Hospital, was appointed Assistant Secretary in place of Miss Cookson.

STAFF

Once again the Board desires to acknowledge the splendid services of all Departments of the Hospital : Medical, Nursing, and Administrative. The loyalty and cheerfulness of the Staff under conditions of war is something to be wondered at and we are indeed fortunate in having such a splendid team who give unstintingly of their skill and devotion in ministering to the needs of the patients.

The Board looks back upon 1942 as a year of great achievement. There is no question of complacency, however, as the Hospital Committees are constantly giving attention to all matters which will improve, extend and co-relate the Services of the Hospital. The public are asked to continue to give their wholehearted support in order that the work may not suffer, that the Hospital's reputation may be enhanced and its sphere of usefulness further widened. If this support is forthcoming no fears need be felt for its future, and Nuneaton General Hospital will be prepared and ready to make its full contribution to what we hope will be a very much better world at the conclusion of hostilities.

For and on behalf of the Board of Management.

W. T. SMITH,
Chairman.

FRANK CHAMBERS,
House Governor and Secretary.

MATRON'S REPORT

ON THE NURSING DEPARTMENT, 1942

The visit of the King and Queen in February will long be remembered by those members of the Nursing Staff who were free to accept the invitation to join the ranks of the Civil Defence Workers reviewed by Their Majesties. It was indeed a red-letter day for us.

There have been several changes among the Senior Staff. In July, Miss Allison was appointed to the Tutor and Home Sister's post vacated by Miss Wadham, who was taking up similar duties at Newstead Sanatorium, Nottingham. Miss Vincent, who held the posts of Night Sister and Sister of Edward Melly Ward for a period of over eleven years in all, left in September on her approaching marriage. Other Sisters who have left are : Miss Roche, on her marriage, and Miss Nichols, on being appointed Ward Sister at Wolverhampton Royal Hospital. We are grateful for their years of loyal service and wish them much happiness in their new spheres. In their stead, we welcome Miss Radford (a trainee of this Hospital), Miss Brooke and Miss Dickinson, as Sisters of Edward Melly, Elizabeth, and Victoria Wards respectively.

Four Nurses, Misses Draper, Lyons, Glover and Nesbitt, were successful in the Hospital Senior Examinations, and Miss Nesbitt passed in the Final State Examination. Six Nurses passed the Preliminary State Examination and nine candidates were accepted for training.

The lack of Domestic Staff continues to hamper the work of the Hospital, as a not inconsiderable share of the domestic duties has to be borne by the Nursing Staff.

A new organisation has come into being during 1942—a Girls' Messenger Corps. Certain of these girls are allocated to this Hospital and do regular evening duty. Their worth was amply proved after the blitz in June, when they gave many hours of invaluable service.

Again we wish to thank the members of our War Emergency Nursing Staff for their help after this raid and whenever appealed to throughout the year. We are also most grateful to other members of the Civil Nursing Reserve from Hartshill and Atherstone, who so willingly give their services from time to time ; to those who have assisted with the evening "washing-up" ; to all those, including the senior girls of Manor Park School, who regularly help with the mending and making of linen ; and to the members of the Inner Wheel Club who, at Christmas, shared in the preparing of the Ward decorations and provided many gifts for patients. A great deal of voluntary help is given to the Hospital and this, as well as the interest it implies, is very much valued.

B. M. PARTINGTON,

Matron.

NUNEATON GENERAL HOSPITAL LADIES' LINEN GUILD

President : Mrs. L. C. S. FitzRoy Newdegate

I have much pleasure in presenting the Annual Report of the Nuneaton Hospital Linen Guild.

During the year the small band of workers have been busy in making the following articles : 50 Huckaback towels, 87 pillowslips, 53 sterile towels, 17 shrouds, two pyjamas, six children's flannel bed jackets, one operation gown, one pair of sheets, and one bedspread.

We have given to Matron during the year : 52 Pillowslips, 5 draw-sheets, 24 doctor's towels, 36 sterile towels, 12 bed pan covers, 18 linen tea cloths, 12 round towels, 24 children's jackets and 12 dusters, making a total of 195 articles. This, I am sorry to say, is much smaller than usual, but, owing to many difficulties, such as rationing of materials and shortage of sewing machines, we are fairly satisfied under the circumstances.

We are very grateful to Mrs. Rendall, of Astley, who has kindly lent us her Singer sewing machine.

During the year our room, for the loan of which we have to thank the Nuneaton Hospitals Contributory Association, has been fitted by them with a very nice cupboard, fixed in a recess, where we are able to keep all our materials and machines ; this is of the utmost help and value, as the linen used to get so soiled in odd boxes. The Linen Guild is very grateful for this help.

Mrs. Pracy, of Atherstone, who was a member of our Committee, has had to give up her work for the Guild and the collecting of monies in Atherstone, which she had done for many years. We have been very fortunate in obtaining the help of Mrs. F. Hiscock in taking over this district.

Once again I wish to thank all those who have so generously subscribed towards this good work. As you will see from the Balance Sheet, the balance standing at the Bank is a very satisfactory one, but against this there are bills outstanding for materials, which makes it necessary for me to appeal for your continued support.

I would like to thank all those ladies who have given their time in collecting subscriptions, and also to thank Mr. Robert Plant for once again auditing the accounts without any charge.

We are also very grateful to the Townswomen's Guild for their very generous donation.

Inspired by the hope of better times to come in the not far distant future, we trust that the Linen Guild will continue to support the Hospital even more successfully still.

ESME BOURNE,

December, 1942.

Secretary and Hon. Treasurer.

WILL YOU PLEASE ACCEPT OUR THANKS ?

The Board of Management is very conscious of the many kindnesses which are shewn by friends of the Hospital in many and various ways. It is difficult to adequately record our gratitude to the Hospital's many supporters, but it is hoped this acknowledgement will be sufficient to demonstrate that the Board is very mindful of the help and support which is received from so many directions. We would particularly record our appreciation of :

Members of the Honorary Medical Staff, Consultants and Medical Officers, the Surgeons, Dental Surgeons, and Medical Officers in charge of Special Departments.

The Chaplains of the various denominations for their services to patients, the Clergymen and Ministers of Places of Worship for their kindness in arranging Hospital Sunday Collections.

The Members of the various Free Churches who arrange Sunday Services in the Wards.

The Honorary Officers of the Hospital.

The Auditors who give their services free in connection with the Annual Audit.

The Matron, Members of the Nursing Staff and the rest of the Hospital Staff for their loyalty and devotion in ministering to the needs of the patients.

The Ladies' Linen Guild.

The Ladies of the Inner Wheel.

The Organisers and Collectors for Alexandra Rose Day.

The local Branch of Toc H and particularly Mr. Horne for operating the Hospital Library.

The Members of the Blood Transfusion Service who have either given blood during the year or who have volunteered to be on call.

Local Tradespeople who have helped us considerably by giving us priority in meeting our instructions for repairs and supplies.

All donors of Money, Fruit, Flowers, Vegetables, Magazines, Books, Silver-paper, etc., etc.

The Civil Defence Personnel who have so ably co-operated with us by providing the Ambulance Service and help in many other directions.

Donors of Christmas gifts, decorations, and other seasonable fare.

The local Press for its generosity and capable advocacy of the many aspects of Hospital work which are brought before the public with benefit to the Hospital.

All other friends who may have in any way made even the smallest contribution to the welfare of our patients.

CONTRIBUTORY QUIZ!

WHAT IS THE NUNEATON HOSPITALS CONTRIBUTORY ASSOCIATION ?

The Nuneaton Hospitals Contributory Association exists to provide Hospital and kindred benefits for its members. Its principal aim is to ensure an adequate income to the Nuneaton General Hospital and to act as a link between its members and the Hospital.

HOW DOES IT WORK ?

The Association is controlled by an Executive Committee elected from its members, representatives of contributing firms and representatives of the Household Scheme. It collects, through its organisation, regular contributions, either by deduction from pay or by individual payment. The money collected is paid to Hospitals at an agreed rate per In-patient day or per Out-patient attendance, and membership of the Association relieves the member of any financial responsibility for maintenance and nursing.

WHO CAN JOIN ?

Anyone in receipt of an income not exceeding £420 per annum.

WHAT IS THE RATE OF CONTRIBUTION ?

Wage earners	4d. per week
Juveniles (working and under 16 years of age)	3d. per week
Pensioners, Widows and Blind Persons (dependent upon Pension only, and not in receipt of any other income whatever)	2d. per week

WHY SHOULD I JOIN ?

There are four good reasons why everybody eligible should join :—

1. A patient may obtain a Voucher for free treatment in any Hospital.
2. Bona fide dependents are included in the member's contribution.
3. Auxiliary benefits are provided, *e.g.*, Ambulance, Convalescence, Home Nursing, Brine Baths treatment and, in suitable cases, grants-in-aid for other forms of Institutional care on application to the Committee.
4. After the Association's commitments have been met by agreement with the various Hospitals, surplus funds are devoted to the work of the Nuneaton General Hospital. As the vast majority of cases in this district are treated locally, it is of paramount importance that your local Hospital should be adequately supported.

HOW MANY CONTRIBUTORS BENEFITTED IN 1942 ?

413 In-patient Vouchers representing 6,941 In-patient days were issued, together with 1,113 Vouchers for Out-patient treatment. In addition many were provided with Ambulance transport, Home Nursing cases facilities and Convalescent and Brine Bath treatment.

WHAT HAPPENS IN CASES OF EXTREME HARDSHIP ?

The Committee will carefully consider any case which merits special decisions : such cases are treated very generously from the Samaritan Fund.

WHERE DO I GET FURTHER PARTICULARS ?

From Mr. Walter J. White, Honorary Secretary, at the Central Offices of the Association, 109 Abbey Street, Nuneaton.

IT IS WORTH THINKING ABOUT ! !

BLOOD DONORS are urgently required. If you are healthy and would like particulars, the House Governor will be pleased to explain the service to you.

SILVER PAPER is still of great value both to the Hospital and the war effort. Gifts of silver paper, metal foil, etc., should be sent to the Offices of the Nuneaton Hospitals Contributory Association at 109 Abbey Street. The Association disposes of such gifts and credit the Hospital.

HOSPITAL COLLECTING BOXES are available upon application. If you have one and it requires emptying, a card to the House Governor will ensure attention if you are not able to bring it to the Hospital.

PARTIES or INDIVIDUALS wishing to visit the Hospital to see the wards and various services should get in touch with the Matron or the House Governor, when a date and time will be fixed. The afternoon is always the most convenient part of the day.
